MEMORANDUM  
\*\*\*\*\*

To: Jack Feight  
From: Ron Daniels *Ran*  
Date: February 7, 1978  
Subject: Ammendment to Rim-Columbus  
Mining and Reclamation Plan

The attached request for an ammdement to Atlas previously approved Mining and Reclamation Plan is self-explanatory.

It is my opinion that re-publishing is not necessary and that we should merely re-value the surety and permit the change. In light of the Board needing to approve amount and form of the modified surety, I suggest that we write for them an executive summary covering the changes and the mine and get their concurrence with this procedure.
